

Trinity Hills Valley, WEST PANAMÁ

Absolutely stunning home in picturesque Trinity Hills Valley. You will find nothing else like it this close to the city of Panama, AND the beaches of Coronado. This 211 square meter home is built on a 1706 m2 lot (.42 acres), has a very large pool with a full on view of the beautiful Trinity mountain peaks. There is also an option to buy the lot across the cul-de-sac with an extra 2588 M2 as a package price. This home is easy to show, and worth the time. If you have been looking in Altos del Maria, Boquete, or even Coronado and the beaches, Trinity Hills Valley could be for you. Only 10 minutes off the main highway at Capira, the beaches are only 20 minutes away, the city, 40 minutes. Add to that, the slightly higher elevation gives you some relief from the heat, and a beautiful, fresh, clean breeze. All at a price that just can't be matched by these other areas!
