

Potreriillos, CHIRIQUÍ

Origen Real Estate is offering true Off-Grid fully sustainable communities where you can live free, safe, and healthy. In two quiet clean-air beautiful Regions of Panama. Close to beaches, medical care, and shops, but not too close for those seeking true Off-Grid. Worried about your farming and agricultural skills? You can receive advice from the experts and other preppers.

Homes are complete with power, water, and sewage. A large underground community bunker to protect against potential attacks is also going to be part of the project. With all homes first select your choice of one of 24 lots available. Then choose from one-, two-, or three-bedroom models. Concerned about your off-grid or farming skills? The project professionals offer hands on training for: Creating your own chicken coup Planting and gardening Raising and caring for livestock How to conserve energy How to adapt to a different culture and lifestyle How to stay in touch with your loved ones back home Overall emergency situational and survival skills You are not alone and will be with a group of like-minded, caring individuals! *Why People Are Ready to Go Off the Grid* Global Chaos We have wars, pandemics, food shortages, out of control gas prices, crime on the rise, and more. Fears of Cyber Attacks One fully executed cyber attack and we risk loss of power and all communication with loved ones. Cost of Living Out of Control Hyperinflation is already happening in some countries and predicted to happen globally. Most families can barely survive and it's rapidly getting worse. Desire for Safety, Independence, and Life Citizens of China have been told to stock up on food, people are going to suffer. You can secure your future in safety, food, independent power, and survival. Pick your lot in this exciting and creative project and then pick the home model you want. To "keep it simple" and move the project to completion quickly, we only offer the 3 models listed. Go to Panama and start living, thriving, and securing your future regardless of global issues.
